

## Pneumatic Tube Fitting Kit 141-0601

### Product Description

The Pneumatic Tube Fitting Kit provides compact and convenient storage for the most commonly used plastic tube fittings. *Table 1* lists fittings included with the kit. The case measures 15 x 11-3/4 x 2-1/2 inches (381 x 298 x 64 mm).

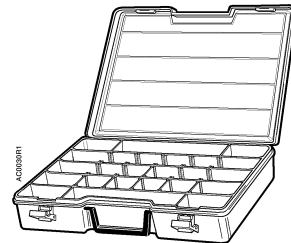

### Product Number

141-0601

For additional or replacement fittings, contact your Siemens Building Technologies sales office.

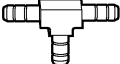

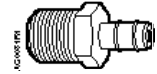

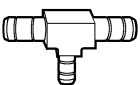

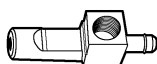

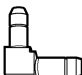

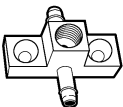

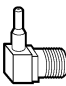

### Installation

Fifteen separate dividers come with the case. Using all the dividers will provide 24 storage compartments.

Place the dividers in the slots of the case to set up the case into sections most convenient for storing the fittings.

**Table 1. Plastic Tube Fittings included in Kit 141-0601.**
