

Manufacturer Declaration

No. SPF600_MDEx_SBT1606

Manufacturer: **Siemens Switzerland Ltd.**
Infrastructure & Cities Sector
Building Technologies Division, Fire Safety

Address: Gubelstrasse 22
CH-6301 Zug / Switzerland

Product description: **SPF600 SIGMACON detector base**
(Number S24218-F400-A1)

Statement:

If the detector base SPF600 is used together with the smoke detector DO1101A-Ex, the heat detector DT1101A-Ex or the heat detector DT1102A-Ex it complies with the EC-type-examination certificate PTB 02 ATEX 2135 and PTB 02 ATEX 2097.

The combination of the above mentioned detector base and fire detector fulfills the ATEX Directive (EU Directive 2014/34/EU) and can be installed in potential explosive atmospheres.

For details consult the examination certificates and our document "Fire alarm signal in areas at risk of explosion", document number 001204
