General documentation		Document-No.
RXT10.5	Commissioning and service tool – User's guide	CM110658
Desigo RXC	Installation guide	CA110334
Desigo	LONWORKS networks, Checklist	CA110335
Desigo RXC	System description	CA110333

Data sheets		
Desigo RX	Hardware overview	CA2N3804
RXC10	Room controllers	CA2N3830
RXC20, 21, 22	Room controller	CA2N3834
RXC30	Room controller, basic module	CA2N3840
RXC31	Room controller for VAV systems, basic module	CA2N3844
RXC32	Room controller for VAV systems	CA2N3845
RXC39	Room controller	CM2N3856
RXC40	Extension module for lighting control	CA2N3842
RXC41	Extension module for the control of blinds	CA2N3843
QAX30.1, QAX31.1	Room units with PPS2 interface	CA2N1741
QAX32.1	Room unit with PPS2 interface	CA2N1641
QAX33.1	Room unit with PPS2 interface	CA2N1642
QAX34.3	Room unit with PPS2 interface	CA2N1640
QAX39.1	Universal setpoint adjuster	CA2N1646
QAX84.1/PPS2	Flush mounted room unit with PPS2 interface	CA2N1649
QAX95.4, QAX96.4 QAX97.4, QAX98.4	Wireless and batteryless room units with EnOcean interface " " " " " " " "	CM2N1663
RXZ95.1/LON	Gateway EnOcean–LONWORKS	CM2N1661
QAX50, QAX51	Flexible room unit	CA2N1648
PXX-L11, PXX-L12	System controller (in conjunction with PXC00....D)	CM1N9282
RXT20.1	Service terminal	CA2N3851
RXZ01.1, RXZ02.1	LONWORKS bus terminators	CA2N3861

Applications library		
VVS	Valid version set (list of compatibility)	CA110302
000	Basic applications	CA110303
RAD	Radiator applications	CA110304
CLC	Chilled ceiling applications	CA110305
FNC	Fan coil applications	CA110306
VAV	Variable air volume applications	CA110307
FPB	Fan powered Box applications	CA110308
INT	Integrated applications	CA110315
IRO	Integrated room operation	CA110316
SPA	Special applications	CA110317
3...	LonWorks standard third-party devices (as of 2004)	CA110319
NV	LonWorks Network variables	CA110321
BT	Binding templates for RXC applications	CA110322
MT	Mapping tables	CA110323
