

## Manufacturer Declaration

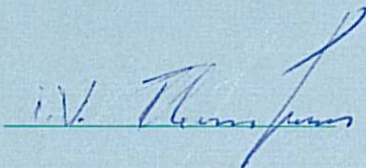

### Siemens AG Building Technologies Division

Product: Burner Control LME7...  
Approval: EN 298  
Application: Burner Control for gas firing systems

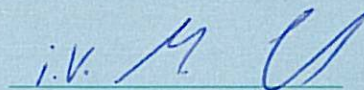

Burner controls LME7... are dedicated for use in safety relevant systems up to SIL3.  
The suitability within a subsystem has to be evaluated in connection with various linked components.

Parameter as per EN 13849:  $MTTF_D = 150$  years  
 $PFH_D = \lambda_D = 7.61 \cdot 10^{-7}$
