

CERTIFICATE OF CONSTANCY OF PERFORMANCE

1116-CPR-007

In compliance with Regulation (EU) N°305/2011 of 09/03/2011 laying down harmonised conditions for the marketing of construction products (Construction Products Regulation – CPR), it has been stated that the construction products below:

NEUTRAL 10 (Non-Electrical Disable Device)

Extinguishing media :	CO2, IG100		
Working pressure at 50°C :	171 bar		
Inlet Thread :	7/16" JIC	Outlet Thread :	7/16" JIC

placed on the market by

SIEMENS SAS
Building Technologies
Z.I. – 617, rue Fourny
78531 BUC CEDEX - FRANCE

and produced in the factory

SIEMENS SAS
Building Technologies
Z.I. – 617, rue Fourny
78531 BUC CEDEX - FRANCE

are submitted by the manufacturer to a factory production control (FPC) and to further testing of samples taken at the factory in accordance with a prescribes test plan,

The approved body, CNPP Cert., has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the FPC and performs the continuous surveillance, assessment and approval of the FPC.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance according to system 1 and the characteristics described in ZA annex of the standard EN 12094-6:2006 were applied and that the product fulfils all prescribed requirements.

This certificate was first issued on 04/08/2005 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Saint Marcel, on 03/04/2017

Amaury LEQUETTE
 Manager of CNPP Cert.
