In that case, either: (i) Licensee takes full responsibility for the modification or change; or (ii) Licensee sends the modification or change, with sufficient other information, to Licensor for potential inclusion in the product, which is to be decided by Licensor. (iii) In case Licensor decides to accept any changes or amendments made by Licensee and includes it in a new release of the Software, it shall be the property of Licensor and Licensee shall be entitled to use it in accordance with the license provisions set forth in this agreement. The Parties agree that any such versions of the Software shall fall under the conditions of this Agreement. 4. If Licensee can demonstrate to Licensor that any defect in the executable for the Licensed Material is exclusively caused by a defect in the Licensed Material then Licensor shall use commercially reasonable efforts to correct any errors in the Licensed Material and deliver such corrected Licensed Material to Licensee. Licensor shall have no liability for any defect in the module which uses the Licensed Material which results exclusively from any technology that has not been supplied by Licensor and which is either incorporated into or used in the development of such module. 6. UPGRADES, IMPROVEMENTS AND TECHNICAL ASSISTANCE (i) Licensor agrees to promptly provide Licensee, at no additional cost, with any new releases of the "Licensed

Material" which are made or acquired by Licensor. (ii) Licensor further agrees to provide Licensee with reasonable technical assistance which may be requested by Licensor during the period expiring twenty-four (24) months from the Effective Date in connection with the use or modification of the Licensed Materials. Such technical assistance shall be provided on the basis of Licensor's published man-hour charges. (EURO 65.00/h as of January 1st, 2014). 7. LIMITATION OF LIABILITY Under any provision of this agreement Licensor's entire liability arising out of the use or inability to use the Licensed Material or in any other way arising out of or related to this agreement shall be limited to the amount actually received by Licensor hereunder. In no event will Licensor be liable for any loss of business profits, business interruption, cost of cover or special, consequential, indirect, incidental or punitive damages (i) arising out of the use or inability to use the Licensed Material, except for the warranties made in Section 5 arising in any other way out of or related to this agreement, however caused and on any theory of liability (including negligence) even if Licensor has been advised of the possibility of such damages. 8. INDEMNIFICATION BY LICENSOR (a) In the event of a suit against Licensee based upon a claim that the Licensed Material, as delivered by Licensor to Licensee, under this Agreement, infringe any third party patents, copyright or trade secret, Licensor agrees to defend and indemnify Licensee against any liability resulting from any claim that the Licensed Material infringes any third party patent, copyright or trade secret provided that: (i) Licensor is promptly notified by Licensee of any threats, claims and proceedings related thereto; (ii) Licensor shall have sole control of the defense and any settlement thereof; (iii) Licensee shall not settle or compromise any such claim without Licensor's prior written consent; (iv) Licensee furnishes to Licensor, upon request, any information available to Licensee relating to the defense of such claim; and (v) Licensee provides reasonable assistance to Licensor in the defense of such claim. Licensor, at its option and expense, shall: (i) obtain for Licensee the right to continue to use the Licensed Material; or (ii) replace or modify the Licensed Material so that they become non-infringing, in which event Licensee shall cease use of the infringing Licensed Material. TERMINATION; SURVIVAL The license granted hereunder shall terminate upon Licensee's failure to comply with all of the terms described herein after a cure period of 6 months, if Licensee does not cure the breach of this agreement within the 6 month period. The 6 month cure period starts with a written letter from Licensor to Licensee informing Licensee that Licensee is in breach of this agreement. This letter must state the exact terms that are in breach. Upon termination for any reason, Licensee shall destroy all copies of the Software. Sections 1(iii), 2, 3 and 4 shall survive any termination or expiration of this Agreement or the license granted hereunder. 10. GENERAL (a) This Agreement is the entire agreement between you and Embedded Solutions concerning this subject matter. This Agreement may not be amended except in writing signed by an authorized representative of Embedded Solutions. (b) Neither this Agreement nor any of your rights or obligations hereunder may be assigned by you in whole or in part without Embedded Solutions' prior written consent. (d) The prevailing party in any action or proceeding to enforce the provisions of this Agreement shall be entitled to recover all reasonable attorneys' fees and expenses incurred in connection therewith. (e) In the event of a breach of this Agreement, monetary damages may not be a sufficient remedy, and Embedded Solutions shall be entitled, without waiving any other rights or remedies, to such injunctive or equitable relief (without posting of a bond) as may be deemed proper by a court of competent jurisdiction. (f) If any provision of this Agreement is held to be invalid or unenforceable by a court of competent jurisdiction, that provision shall be limited or eliminated to the minimum extent necessary so that the remaining provisions remain in full force and effect. (g) The failure of Embedded Solutions to require your performance of any provision herein shall not affect the full right to require such performance at any time thereafter; nor shall the waiver by Embedded Solutions of a breach of any provision herein be taken or held to be a waiver of the provision itself. WITTENSTEIN high integrity systems a division of WITTENSTEIN aerospace & simulation Ltd OPENRTOS SOFTWARE LICENCE AGREEMENT including SUPPORT and MAINTENANCE AGREEMENT This Licence Agreement (the Agreement ) is entered into at the date of the last signature in Appendix A (the Effective Date ) by and between the Licensee defined in Appendix A and WITTENSTEIN aerospace & simulation Ltd, a corporation registered under the laws of England and trading as WITTENSTEIN high integrity systems ( WHIS ), who are together referred to hereinafter as the Parties. BACKGROUND WHEREAS, WHIS desires to grant the Licensee a licence to use WHIS Software under the conditions set out in this Agreement. WHEREAS, the Licensee wishes to use the Software embedded within its Products and agrees to be bound by this Agreement. The Software is protected by intellectual property laws and treaties. The Software is licenced not sold. NOW, THEREFORE, in consideration of the foregoing and of the mutual promises contained in this Agreement, the Parties hereby agree as follows: 1. DEFINITIONS The following terms have the meanings set forth below: 1.1 Derivative Works means any port, work, improvement, modification, alteration, enhancement, translation, adaptation of, or documentation, of the Software, in any medium, format or form whatsoever. 1.2 Software means the WHIS Software in source code and object code as specified in Appendix A and such releases as are provided under a valid Support and Maintenance Agreement between the Licensee and WHIS. 1.3 User or Licensee is any person, organization or entity modifying the source code of the Software in any form or creating or editing code that uses the Software s Application Programming Interface. 1.4 Product is the hardware component or device named in Appendix A utilising an application containing the Software and distributed by the Licensee. If a new version or modification of the Product is created that contains such significant differences from the previous versions as to be generally accepted in the marketplace as constituting a new product then this is considered a new product under this licence. 2. LICENCE GRANT 2.1 WHIS hereby grants to the Licensee, under all of WHIS intellectual property rights a perpetual, royalty-free, non-exclusive, worldwide licence to manufacture and have manufactured and distribute the Product incorporating and using the Software listed in Appendix A, AND subject to the restrictions and limitations on use and distribution listed in Appendix A, and detailed in the Licence Grant as follows: a) use, modify, enhance, develop and compile the Software and create Derivative Works as a part of the Product s development; b) use, import, export, make or have made, sell, offer for sale and supply copies of the Product incorporating and using the Software and Derivative Works, provided that any distribution of the Software or Derivative Works thereof (other than to contractors of the Licensee) shall be in object code format only for use in or with the Product; c) make as many copies of the Software and Derivative Works as may be necessary to enable the Licensee to use the Software and Derivative Works as permitted under this Clause 2; and provided the Licensee does not: d) distribute the Software in source code form or as a part of a library that can be linked into third party software; e) copy, reverse engineer all or part of the Software or support, incentivise or encourage others to do so; f) communicate or publish any performance or statistical data specific to the Software. .2 The licence grant set forth in this Clause 2 includes the right for the Licensee to use subcontractors to perform any or all of the activities set forth at Clause 2 on behalf of the Licensee provided such subcontractors perform such activities under an agreement with the Licensee that offers the same protection to WHIS as set out in this agreement. 3. OWNERSHIP AND CONFIDENTIALITY 3.1 Ownership. WHIS retains all rights, title, and interest in and to the Software and Documentation. 3.2 Confidentiality. Each party will use the same degree of care to protect the confidential information of the other party as it takes with respect to its own confidential information of like or similar importance, but in no event less than

reasonable care. The obligations set forth in this Clause 3.2 shall not apply to information that: a) was already known to the recipient without any obligation of confidentiality; b) is or becomes available to the public or otherwise part of the public domain without breach of this Agreement; c) is received at any time by the recipient from a third party without an obligation of confidentiality; d) is disclosed by the disclosing party to a third party without an obligation of confidentiality; or e) which the recipient is required by law to disclose and the recipient gives the disclosing party 8 days' prior written notice of such disclosure or authorisation of disclosure (or such lesser period as may be reasonable in the circumstances); or f) is independently developed by the recipient.

**4. SUPPORT AND MAINTENANCE**

**4.1** The Support and Maintenance provided by WHIS to the Licensee is set out in Appendix B.

**4.2** The period and scope of the support is set out in Appendix C. Appendix C may be reissued at each support renewal without change to the rest of this licence to extend the period of Support and Maintenance.

**5. REPRESENTATIONS AND WARRANTIES**

**5.1** WHIS represents and warrants that: a) it has all rights and authority to enter into this Agreement and to grant the rights and perform the obligations set forth herein; b) entering into and performing under this Agreement will not violate any other agreement to which WHIS is a party; c) to the best of WHIS' knowledge the Software does not infringe any third party intellectual property anywhere in the world. Use of the Software does not and will not violate or infringe any copyright, trade secret, trademark, service mark, or other proprietary right. WHIS is not aware of any claims or basis for claims of infringement of other rights of ownership in or to the Software. WHIS shall, at its expense, indemnify, defend and hold Licensee harmless in connection with any claim, or in any suit or proceeding brought or threatened based on a claim that the Software infringes any patent, copyright, intellectual property or other proprietary right, provided WHIS is notified promptly in writing and given sole control of the defence and settlement of any such claim; d) the Software does not contain any Open Source code distributed under the General Public Licence or similar licences. e) it shall not be liable for any infringement caused solely by a modification to the Software by Licensee; **5.2** Disclaimer of Warranties. With the exception of matters expressly provided for under the terms of this agreement, the parties disclaim all warranties, representations and conditions that are implied, whether by statute, common law or otherwise, including, without limitation, any implied warranty as to satisfactory quality or fitness for a particular purpose.

**6. TERM AND TERMINATION**

**6.1** Termination. Without prejudice to any other right or remedy which may be available to it, either party may terminate this Agreement by giving written notice in the event that the other party commits a material breach of this Agreement and fails to cure such breach (where capable of remedy) within sixty (60) days of receiving written notice thereof from the non-breaching party.

**6.2** Licensee Fee. The Licensee shall pay WHIS the licence fee in the amount and in the manner set out in the Order Acknowledgement issued by WHIS. Failure to pay the fee within fourteen (14) days of the agreed timescale will automatically terminate this Agreement and the Licensee must return all the Software and Documentation in its possession and related materials to WHIS immediately.

**7.2** If the Licensee reports that the Software does not provide the functions described in the Documentation then within a period of one year from delivery of the Software to the Licensee, WHIS shall at its sole discretion, rectify the software, issue a patch or other work around.

**7.3** Except for the obligations of WHIS in Clause 4 under no circumstances shall the liability of WHIS to the customer exceed the price paid for the Software licence.

**7.4** The limitations specified in this Clause 7 shall survive and apply even if any limited remedy specified in this Agreement is found to have failed in its essential purpose.

**8. GENERAL PROVISIONS**

**8.1** Assignment. The Licensee may not assign this Agreement or any rights or obligations hereunder without the prior written consent of WHIS. The arbitration shall be held in Zürich, Switzerland and shall be conducted in the English language.

**8.6** Non-Waiver. The failure of either party at any time to require performance by the other party of any provision hereof shall not affect in any way, or act as a waiver of, the right to require the other party to perform in accordance with this Agreement at any other time, nor shall the waiver of either party of a breach of a provision of this Agreement be held or taken to be a waiver of the provision itself.

**8.7** Severability. If any term of this Agreement is held to be invalid or unenforceable for any reason, the remainder of the provisions shall continue in full force and effect, and the parties shall substitute a valid provision with the same intent and economic effect.

**8.8** Headings. The paragraph headings appearing in this Agreement are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or extent of such paragraph, or in any way affect such agreements.
