Siemens ID - Unified Access for Customers and Partners to Siemens Applications

Customer Announcement

Siemens ID – Unified and Secure Customer Access

Siemens ID is a corporate identity management solution which simplifies and unifies access for customers and partners to Siemens applications and services. Instead of having multiple logins when accessing Siemens applications, Siemens customers and partners can now use one digital identity to log in to Siemens digital offerings.

What are the advantages?

- Unified user experience and single sign on for all your Siemens applications.
- Secure standard solution for Siemens applications and services

What is changing?

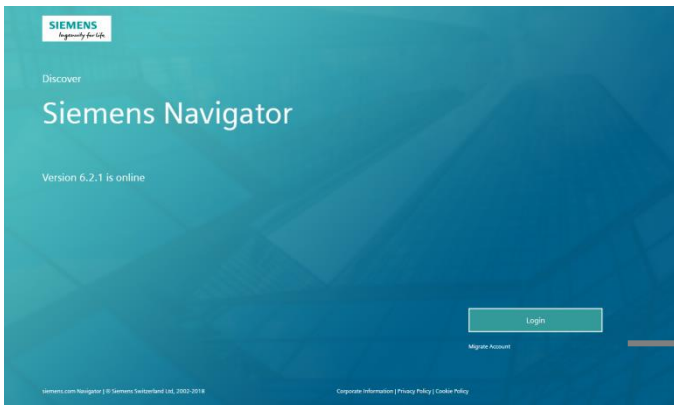

Instead of logging in with your credentials from Navigator, you will be prompted to log in with Siemens ID credentials from a dedicated Siemens ID Login Page.

Upon release of the new Siemens ID you will be required to migrate your existing Navigator account to a Siemens ID account. The migration workflow is self-guided and is available for selection on the Navigator Landing page.

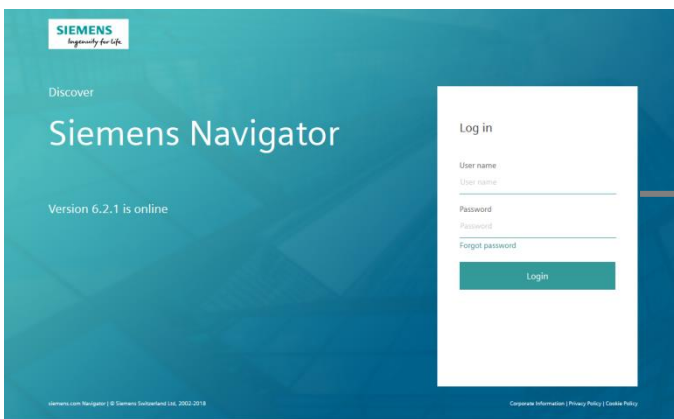

How do I make the change?

- Starting from September 26th 2018 you will be required to log in to Navigator using a Siemens ID.
- Prior to logging in for the first time you will be required to migrate your existing Navigator account to a Siemens ID account.
- Once you complete the migration to Siemens ID you can then log in to Navigator.

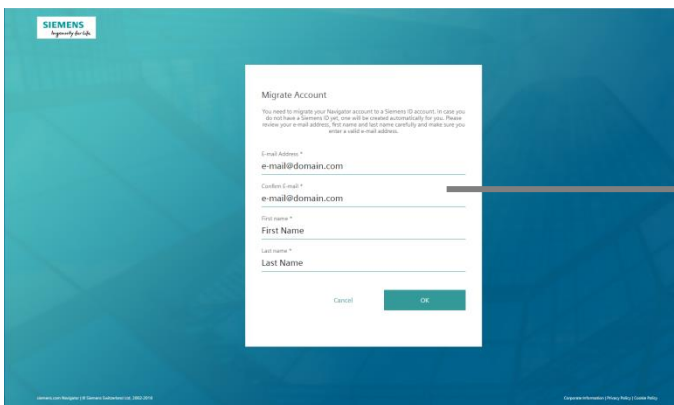

Login and One-Time Migration

- Go to <https://eadvantage.siemens.com>
- Click on the "Migrate Account" link which is below the Login button

- Log in with your existing Navigator username and password

- Enter or confirm your login information to create a Siemens ID. You will need a valid e-mail address
- Click OK
- New to Siemens ID? You will receive two additional emails to help you create a secure password
- If you already have a Siemens ID you can proceed with logging in to Navigator

• Siemens ID	Change Password Request Siemens ID	1
• Siemens ID	Welcome to Siemens ID	1

- Open email with subject "Change Password-request"
- This email contains a link for creating your password in Siemens ID

Password Change Request

You have submitted a password change request. Please confirm this request by clicking on the button below:

Change my password

This password change request link will only be available for 5 days.

- Click "Change my Password"

- Enter your new password

- Follow the instructions for password requirements
- After successful registration with Siemens ID you can now log in to Navigator with your new credentials

- Go to <https://eadvantage.siemens.com> and click on the Login button

The image shows a login form for Siemens. At the top center is a green square with a white letter 'S'. Below it are two input fields: the first contains the text 'yours@example.com' and the second contains 'your password' with a small eye icon to its right. Below the password field is the text 'Forgot your Siemens ID?'. At the bottom of the form is a blue button with the text 'Log In >'.

- Log in with your Siemens ID credentials
- Your old Navigator username and password are no longer needed
- If you should require support please reach out to your Navigator administrator
