

Nexus™ Wireless Monitor

Catalog number 5928

Description

The Nexus™ Wireless Monitor provides truly wireless in-home generator status. About the size of a credit card, this battery operated wireless device makes monitoring your generator easy and convenient.

*This system is only compatible with air-cooled and liquid-cooled models that utilize the Nexus digital control panel.

Basic Wireless Adapter Kit (5958) must be purchased separately for units 22 kW through 150 kW.

Features

- Compact, sleek design
- Magnetic back for refrigerator mounting
- Red, yellow and green status indicator LEDs
- "Chirp" function to alert owners when the generator needs attention
- Area for dealer contact information on the rear panel
- Toolless battery cover for easy battery replacement
