### Ringless Meter Cover Replacement

**⚠ DANGER**

**Hazardous Voltage.**  
Will cause death, serious injury  
or substantial property damage.

Turn off power supplying this  
equipment before working inside.

**Note:** This instruction outlines the recommended installation procedure.  
For installation by a qualified person, as defined by all local electrical codes  
and/or the National Electrical Code ®.

1. Turn off and lock off the power supplying the device before working inside.
2. Clean and prepare surface; remove any old or damaged material before installing replacement part.
3. Install Ringless Meter Cover into position as shown. Insert top lip of Meter Cover under the cover above.
