Use only with Siemens certified Components.
 Utilizar únicamente con componentes certificados de Siemens.
 A utiliser uniquement avec les composants certifiés Siemens .

NOTICE:
[AVISO:]

Only Qualified Personnel should work on this equipment, after becoming thoroughly familiar with all warnings, safety notices and maintenance procedures contained here in and on the devices.
 A Qualified person is one as defined in NFPA 70.
 [Solamente personal calificado debe trabajar en este equipo, después de familiarizarse a fondo con todas las advertencias, avisos de seguridad, y procedimientos de mantenimiento contenidas aquí y en los dispositivos.
 Una persona calificada es una como se define en el NFPA 70.]

NOTE - These instructions do not purport to cover all details or variations in equipment, or to provide for every possible contingency to be met in connection with installation, operation or maintenance. Should further information be desired or should particular problems arise, which are not covered sufficiently for the purchaser's purposes, the matter should be referred to the local Siemens sales office. The contents of this instruction manual shall not become part of or modify any prior or existing agreement, commitment or relationship. The sales contract contains the entire obligation of Siemens. The warranty contained in the contract between the parties is the sole warranty of Siemens. Any statements contained herein do not create new warranties or modify the existing warranty.
