INSTALLATION INSTRUCTIONS

	⚠ DANGER
	Hazardous Voltage. Will cause death, serious injury or substantial property damage.

Turn off power supplying this equipment before working inside.

⚠ SAFETY INSTRUCTIONS

Note: This instruction outlines the recommended installation procedure.

1. Turn off and lock off the power supplying this enclosure before working inside.
2. To install, press the padlocking assembly onto the circuit breaker (Fig.1). (The barbs on the lock mount will cause this to be a snug fit).
3. The circuit breaker can be locked in the "OFF" or "ON" position. Once the padlocking assembly is installed, the lock plate must be rotated to allow access to the circuit breaker handle(s) (Fig.2).
