

# Power Mod Express Program

## Power Mod™

Welcome to the Power Mod Express program. Placing an order as Express will ensure shipping within 3 to 5 business days of the Power Mod units\*. Orders should be placed through COMPAS. The list counts numerous part numbers with several mains and tenant modules. This list also includes accessories and lug kits.

In order to qualify for an Express order:

- All units in the order need to be on the below list.
- Lug kits are the only exception and will not impact the Express status of the order.
- If the order has Power Mod items outside the list below the overall order will receive a standard 10 day lead time.
