

Sm@rtGear™ Mobile

Intelligence available right at your fingertips

Sm@rtGear™

Take control of your gear from your smart device

- Take your gear into the 21st century!
- View breaker status from outside arc flash zone
- Ease of commissioning - breaker settings can be changed via touchscreen using phone, tablet or computer
- Remote open/close outside arc flash zone – no longer need dedicated control panel
- Activate breaker maintenance mode
- Security – local security enabled WPA2 WIFI network only allows local access

✓ Arc Flash Safety

✓ Ease of commissioning

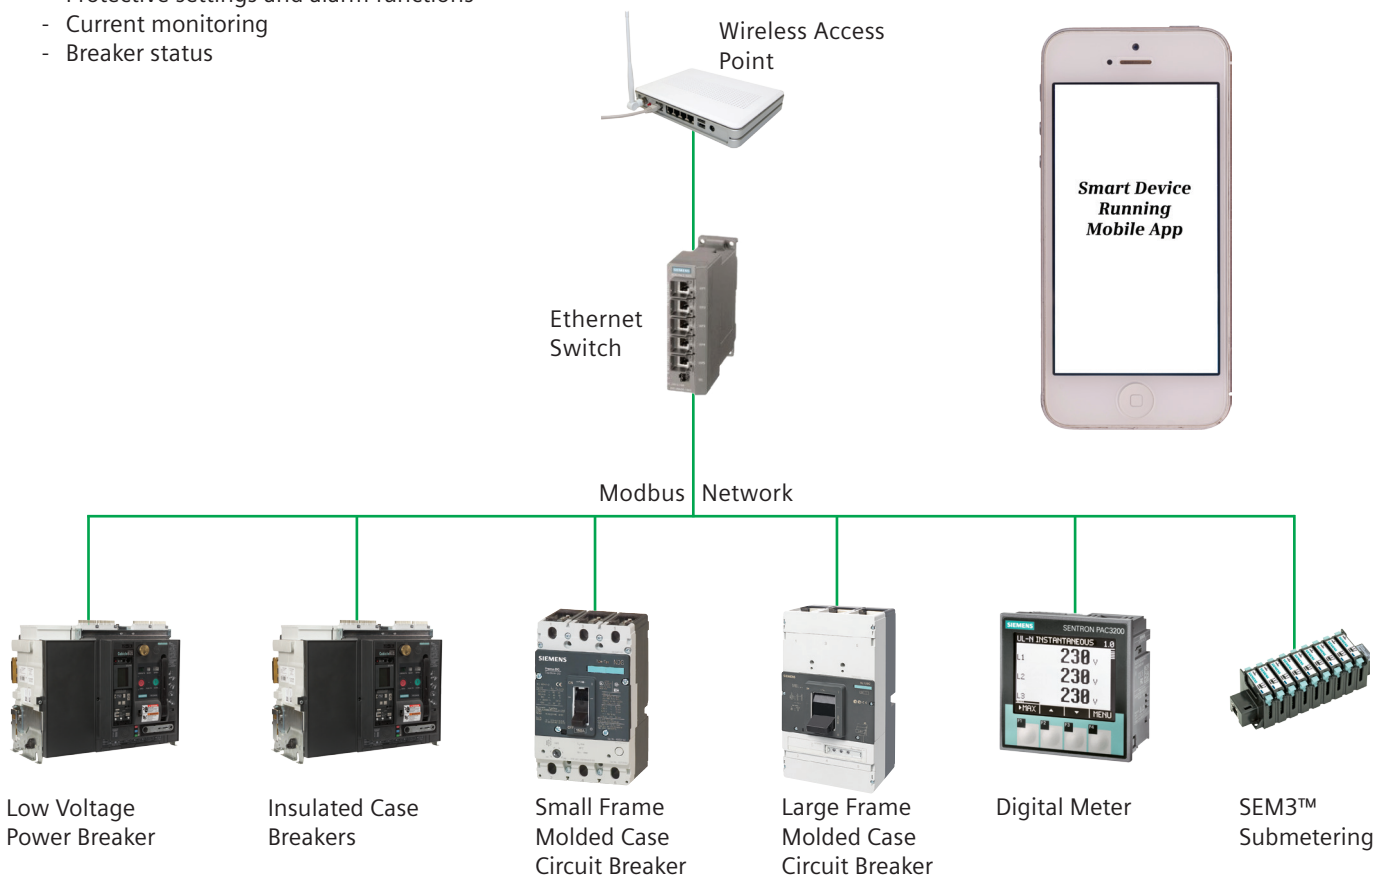

✓ Remote monitoring, configuration and control
