## – Ordering process for DIGSI 5 Premium Scientific (P1V55)

Dear Sirs and Madams,

The license DIGSI 5 Premium Scientific (order code: P1V55), which is technically equivalent to DIGSI 5 Premium is only applicable for universities, colleges and research institutes. Each ordered license can be used on up to 10 computers.

As the license DIGSI 5 Premium Scientific is free of charge only for the above mentioned users Siemens AG needs a written proof, that the buyer is one of the authorized user group and that the product is only used for teaching purposes.

Therefore a standard agreement with Siemens AG needs to be signed.

1. Please request our mentioned standard agreement directly from [thi-hoang-lien.vu@siemens.com](mailto:thi-hoang-lien.vu@siemens.com)
2. Send us a copy (scan) of the signed document in advance to the above email address.
3. Now you can order the needed number of DIGSI 5 Scientific licenses in our factory in Berlin.
4. Subsequent to that please hand in the originally signed document by sending it through the post to the below mentioned address:

SI DG EA-P&R FIN  
Vu, Thi Hoang Lien  
Humboldtstr. 59  
90459 Nürnberg

5. As soon as the originally signed standard agreement has been signed by the DG SA&P management, your purchase order will be released.

Sincerely yours,

Siemens Aktiengesellschaft
